Information for Parents

About Kaymbu

Kaymbu is an application that teachers use to capture the essence of classroom activities and strengthen relationships between home and school. Teachers use Kaymbu to record photos and video of important classroom activities, and share them with families.

Why Your School Uses Kaymbu

Your school is using Kaymbu to give you a window into your children's school life and accomplishments. By getting visual updates, you will be able to continue conversations around the day's activities, and connect with your children over their learning experiences. Your school is also using Kaymbu to digitally document your children's growth as they progress throughout the year.

Privacy and Security

Privacy and security is a mission-critical requirement for the Kaymbu system. We serve hundreds of early education programs across the country – it is our only business and there is nothing we take more seriously than the security of the data and media we manage on their behalf. Media captured in the system is ultra-secure and never used for any purpose outside of your school's communication and classroom documentation.

“ As a mom, the desire for information about my children's time at school is insatiable! Kaymbu provides me with treasured glimpses into their daily interactions and development. ”

What You Will Receive

As a parent in our system, you will receive pictures, videos, and message updates from your child's school and teacher. Unlike conventional updates, these are hyper customized, and feature only material relevant to your family. This information can be received via email, text message, or our Kaymbu for Parents App. All of the moments you receive are available for download, and are yours to keep forever.

What Parents Say About Kaymbu

“I absolutely LOVE getting pictures of my son throughout the week via Kaymbu! I feel so much closer to this his scholastic and social experience.”

“I love getting these communications during the day! Now my son and I have better conversations every evening because I know what to prompt him on.”

“These shared moments are the best thing I could ever ask for and a precious moment in my work day. Each one I receive is another piece of assurance that sending my daughter to this program was the best decision I ever made.”

These are just a few anecdotes from the 98% of parents who say that Kaymbu has increased their satisfaction with their child's school.

The Kaymbu for Parents App is an optional way for you to receive photos, videos, and messages! Simply download the app from the App Store or Google Play, then enter the email address connected to your child's profile!
